

# February News

## Dates for your diary:

Friday 23<sup>rd</sup> February - PJ or onesie day (donations will go to crackerjacks charity)

Thursday 1<sup>st</sup> March - world book day (dress in your favourite character)

Thursday 8<sup>th</sup> March - stay and play coffee afternoon. Please let your child's keyworker know if you will be attending.

Monday 9<sup>th</sup> April - Parents eve (Appointments will be available from march)

Exciting news - Sophie (Acting Deputy) is expecting her first baby in July. A massive congratulations to Sophie and her family.

Tuesday 27<sup>th</sup> February, we have an exciting arrival at the nursery.

We are all really excited.

## Car Park

Can I please ask that parents drive carefully, slowly and are vigilant in the car park. We have had a few incidents and would like for all children, parents and staff to be able to arrive and leave nursery safely without the risk of being hurt.

## Reminder to all parents and carers

The nursery is open 7.30-6.30. Session times are 7.30-1 and 1-6.30. Please can you ensure that your children are not dropped off before their session and are collected on time. I do understand there may be occasions where you are running late or stuck in traffic, but you must notify us of this. If children are late being collected this effects staff going home or to university and also will affect children that are due in for the afternoon sessions. Parents who are late collecting their child will be fined £10 for every 15 minutes.

## Vouchers and TFC

Can I ask that parents ensure these are set up to come across for the first working day of each month as it makes it hard to trace vouchers and payments that come across at different times each month.

If you are thinking about child care vouchers or the Tax-free payments, please speak to myself and I can give you more information. If you do decide to change I will need notification in advance of this to notify head office of the changes and amend your fees for the following month.

## Learning Book

Firstly, I want to apologise to you all, I know we said we were going live in January, but we've had a few hiccups with the computer, so I am now in the process of getting this set up. Once its online you will be given a password to be able to log-in to your child's individual learning book. As a parent you will also be able to add to your child's learning journey at home.

## Red door

Can I please ask that parents when entering and leaving the building you ensure that you have closed the door behind you. In the winter the door does swell and therefore won't shut automatically. If you can double check this I would be very grateful as this is part of ensuring that everyone within the nursery are safe and that the building is secure. Just like at home you would double check your front door is closed when leaving the house please do the same here.

Many thanks 😊
