

July News

New staff and Staff Changes

We also have some new faces joining the team:

- Lydia working in Rosebuds
- Beckie working in Daisies
- Jasmine working in Daffodils
- Donna Working in Rosebuds
- Ellie working in Buttercups

There will also be a few changes in the rooms.

Sadly, Vicky has left us to new adventures and is moving to Sloe.

Rosebuds: Donna, Lydia, Shannon

Daisies: Charlie, Beckie

Buttercups: Daisy, Jess, Ellie

Tulips: Rosie, Julie

Bluebells: Phoebe, Zoe

Daffodils: Jodie, Amy, Jasmine

Sunflowers: Sam, Claire, Laura

Reminder to all parents and carers

The nursery is open 7.30-6.30.

Session times are 7.30-1 and 1-6.30. Please can you ensure that your children are not dropped off before their session and are collected on time. I do understand there may be occasions where you are running late or stuck in traffic, but you must notify us of this. If children are late being collected this effects staff going home or to university and also will affect children that are due in for the afternoon sessions. Parents who are late collecting their child will be fined £10 for every 15 minutes.

Exciting news - Sophie (Deputy Manager)

Gave birth to the beautiful Albie on 6th July. Sophie and her family are doing really well and settling into life with a little baby.

- Jodie is also expecting her first baby in November and has just found out she is having a little girl. A massive congratulations to Jodie and her family.

- Sam is also expecting her first baby a little girl in October. A massive congratulations to Sam and her family.

We are all very excited by these new arrivals and I'm sure you will meet Albie very soon.

Weather

Can I please remind all parents that children **MUST** be arriving at nursery with sun cream and sun hats or have spares to keep at nursery.

Staff are finding lots of bags without these items and then needing to phone for parents to bring them in. I am afraid if this continues I will not be accepting children in without these items as this is crucial to safeguarding and protecting the children within our care.

Vouchers and TFC

Can I ask that parents ensure these are set up to come across for the first working day of each month as it makes it hard to trace vouchers and payments that come across at different times each month.

If you are thinking about child care vouchers or the Tax-free payments, please speak to myself and I can give you more information. If you do decide to change I will need notification in advance of this to notify head office of the changes and amend your fees for the following month.

Management changes

We would like to announce the exciting changes to the management team. Becky (Acting Manager) is now officially the Nursery Manager, and Sophie Veitch (Acting Deputy) has now become the Deputy Manager.

Whilst Sophie is on maternity leave Jodie Sharman will be acting as Deputy Manager in Sophies place.

We would like to congratulate Becky and Sophie in their new official positions and I am sure you will join with me in saying the same,
