

# June News

## Dates for your diary:

**Monday 25<sup>th</sup> June -NURSERY IS CLOSED**  
**INSET DAY**

Friday 20<sup>th</sup> July - All rooms Stay and play 2.30-4

Friday 20<sup>th</sup> July - end of term all funded Childrens last day.

## Car Park

Can I please ask that parents drive carefully, slowly and are vigilant in the car park. **We have had a few incidents to staff and parent's cars** and would like for all children, parents and staff to be able to arrive and leave nursery safely without the risk of being hurt.

## Reminder to all parents and carers

The nursery is open 7.30-6.30.  
Session times are 7.30-1 and 1-6.30. Please can you ensure that your children are not dropped off before their session and are collected on time. I do understand there may be occasions where you are running late or stuck in traffic, but you must notify us of this. If children are late being collected this effects staff going home or to university an also will affect children that are due in for the afternoon sessions. Parents who are late collecting their child will be fined £10 for every 15 minutes.

## Exciting news - Sophie (Acting Deputy)

is expecting her first baby in July.

Sophie's last day will be this Friday. All the best to Sophie and her family we can't wait to meet the little man.

- **Jodie** is also expecting her first baby in November. A massive congratulations to Jodie and her family.

- **Sam** is also expecting her first baby a little girl in October. A massive congratulations to Sam and her family.

We are all very excited by these new arrivals, once the initial shock had sunk in.

## New staff and Staff Changes

As you are all aware Sophie will be going on maternity leave. Whilst Sophie is off Jodie (Daffodils Room leader and senior) will be stepping up to Acting Deputy.

We also have some new faces joining the team:

- Laura working in buttercups
- Danii working in Rosebuds
- Jasmin working in Daffodils

## Vouchers and TFC

Can I ask that parents ensure these are set up to come across for the first working day of each month as it makes it hard to trace vouchers and payments that come across at different times each month.  
If you are thinking about child care vouchers or the Tax-free payments, please speak to myself and I can give you more information. If you do decide to change I will need notification in advance of this to notify head office of the changes and amend your fees for the following month.

## Garden and door

As you may have noticed the garden is having a facelift. We are working around the garden on the different areas stage by stage. Watch this space for new arrivals and for the finalised project 😊

Can I please ask that parents when entering and leaving the building you ensure that you have closed the door behind you. There is still times where parents haven't closed the door behind them.

Many thanks 😊
