

October 2019

The latest photo of 'Sheldon'

The children love him being a part of the Monkey Puzzle family. He enjoys burying himself in the soil & trying to escape.

Staffing.....

Over the next few weeks we are in the process of taking on several new Nursery Practitioners. Once DBS checks and references are received new staff will be starting.

Please..... can you ensure that appropriate clothing and footwear is brought in with your child. As the weather is getting colder we will still be having periods outside in the garden.

Dates for your diary:

Thursday 17th October: Parents Evening, if you haven't yet made an appointment please speak to your child's key worker.

Thursday 31st October: pumpkin carving evening.

Monday 4th November: Sparklers in the garden at collection time for bonfire night.

Wednesday 13th and Thursday 14th November: wear your PJ's to nursery day for **Children in Need**.

Information & Reminders for Parents

**

Taking into account that new staff will be starting soon, means that several staff have the opportunity to move rooms and some of the children will be transitioning into new rooms as well.

All staff & children will be in their new rooms by the end of November. Transition letters will be sent and moves will be confirmed for parents evening. If you have any questions, please feel free to ask...

**

Invoices are now being sent out to you electronically; please contact the office to request a password

**

We do require 4 weeks' notice in writing for any changes to sessions

**
